

AUTOMOTIVE RESURRECTION

Be part of the Boot Hill Auto Team :

We are looking to expand our roster! Boot Hill Auto is committed to focusing on ultimate one of a kind Pro Touring, Hot Rod and better than original restorations.

Please submit all resumes to boothillauto@gmail.com

MECHANICAL/ASSEMBLY TECH :

Duties would include vehicle final assembly and mechanical work including: 12v wiring and EFI, plumbing, AC, fuel systems, body panel fitting and mechanical troubleshooting.

This position requires work on high end/custom builds, so we are looking for an experienced, detail oriented candidate.

BODY TECH :

We are looking for experienced painters and body techs. Applicants must have previous experience within the industry or similar industries. Body tech needs to be proficient in doing filler work to a high level of quality. Experience in straightening and sharpening of panels along with accurately gapping body panels is crucial.
